DEFENDANT'S MOTION IN LIMINE

Defendant Nationstar Mortgage LLC (**Nationstar**), prior to the voir dire examination of the jury, files this motion in limine against plaintiff Danielle Geoffrion and Darren Kasmir (**plaintiffs**). In support thereof, Nationstar respectfully shows this Court the following:

I. BACKGROUND

Plaintiff Danielle Geoffrion signed a promissory note on June 30, 2004 payable to the order of Metrocities Mortgage, LLC in the original principal amount of \$606,700.00 (**Note**). To secure repayment of the Note, plaintiffs executed a deed of trust (**Deed of Trust**) encumbering property located at 934 Dunsmuir Avenue, Los Angeles, California 90036 (**Property**). BAC Home Loans Servicing, LP (**BAC**) and Bank of America, N.A. (**BANA**) were mortgage servicers for the Loan before Nationstar. Plaintiffs defaulted on the Loan by failing to timely make their May 1, 2011 payment, and plaintiffs' May 17, 2011 payment was returned due to insufficient funds. As a result, the Loan became chronically past-due by one month. Plaintiffs then failed to make their regular monthly payments in September 2011, January 2012, April 2012, May 2012, June 2012, November 2012, January 2013, February 2013, and June 2013. In addition, several advances were made to pay property taxes. As a result, the total amount due on the Loan as of June 4, 2013 was \$29,430.60.

Servicing of the Loan transferred from BANA to Nationstar effective July 1, 2013. Due to plaintiffs' default, the total amount owed on the Loan as of July 1, 2013 was \$32,695.35. Following the loan transfer, Nationstar sent notice to plaintiffs via first-class mail, postage prepaid that qualified written requests under RESPA were to be sent to "Nationstar Mortgage, 350 Highland Drive, Lewisville, Texas 75067, Attn: Customer Relations Office."

Plaintiffs contacted Nationstar on November 13, 2013 to discuss payments made to BANA but returned to plaintiffs after the July 1, 2013 servicing transfer. Nationstar's representative informed plaintiffs, consistent with the payment records and prior letters from BANA, plaintiffs were ten (10) payments behind on the Loan. Plaintiffs disagreed, mistakenly believing Nationstar failed to account for certain payments made to BANA both before and after the service transfer. Despite this, plaintiff Darren Kasmir admitted he was the only one working at the time and he did not know why plaintiffs were so far behind.

Refusing to acknowledge the substantial default on the Loan was due to their missed payments, plaintiffs filed this lawsuit in state court on April 30, 2014 alleging claims for (1) RESPA violations, (2) breach of contract, and (3) an accounting. Nationstar removed the case to federal court and plaintiffs filed their live pleading alleging the same claims.

II. REQUESTED LIMINES

Nationstar moves this Court to instruct the plaintiffs, their counsel and any witnesses they may call on their behalf not to argue, prove or attempt to prove, refer to, mention, or allude to in the *voir dire* examination of the jury or at any time in any form or manner in the presence of the jury, either directly or indirectly, any of the following matters without first approaching the bench and informing the Court that they intend to make such a statement, ask such a question, or elicit such testimony, and proffering such statement, question, or testimony to be elicited to the

Court outside the hearing and presence of the jury and obtaining the Court's ruling on the admissibility thereof outside the hearing and presence of the jury:

1. Any reference to, attempt to argue or attempt to introduce evidence in support of an affirmative claim for relief, affirmative defense or damage theory that has not been timely or properly pleaded or disclosed in discovery. Such evidence is irrelevant, would be unduly prejudicial to defendant, and would create unnecessary confusion of the issues which may mislead the jury. The evidence is properly excluded under either Rules 401 or 403 of the Federal Rules of Evidence.

5. Any reference to, attempt to argue or attempt to introduce evidence of any statement or report of any person not then and there present in court to testify and to be cross-examined or otherwise suggest to the jury by argument or otherwise what would have been the testimony of any witness not actually called—this includes all witnesses whom counsel have not arranged to bring to trial in person or by deposition—or comment upon the failure of any party to call witnesses who are subject to subpoena and available to all parties in this cause or suggest to the jury by argument or otherwise what would have been the testimony of any witness not actually called.

16. Any reference to, attempt to argue or attempt to introduce evidence or elicit testimony about the amount of money any defendant paid to acquire an interest in the loan. 17. Any reference to, attempt to argue or attempt to introduce evidence or elicit testimony that the attorneys' fees incurred by defendant in this case is evidence of the reasonableness or necessity of attorneys' fees incurred by the plaintiffs. 18. Any reference to, attempt to argue or attempt to introduce evidence or elicit testimony related to a "mortgage crisis" or "foreclosure crisis," alleged to have been contributed to by banks, mortgage companies or other financial institutions, in general, or by defendant, in particular, including, but not limited to, other legal proceedings, whether threatened, pending or concluded, including the settlements thereof, related to lending practices, securitization, servicing and/or foreclosure, except that the parties should be permitted to ask prospective jurors generally in *voir dire* if any such news reports will affect their ability to sit as jurors in this case. However, any further reference to these topics, as if they are applicable to the facts of this case when they are not, is irrelevant and would be unduly prejudicial to defendant by creating the impression the merits of this case should be decided based upon anything other than the actions of the defendant in this matter. The evidence is properly excluded under either Rule 401 or 403 of the Federal Rules of Evidence.

Any reference to these topics, as if they are applicable to the facts of this case when they are not, is irrelevant and would be unduly prejudicial to defendant by creating the impression the merits of this case should be decided based upon anything other than the actions of the defendant in this matter. The evidence is properly excluded under either Rule 401 or 403 of the Federal Rules of Evidence.
